6. Imputed Income

*To calculate child support, the court may **impute** income to a parent:*

- whose income is unknown, or
- who the Court finds is unemployed or under-employed by choice.

Imputed income is not actual income. It is an assigned amount the court finds a parent could or should be earning. (RCW 26.19.071(6))

7. Limits affecting the monthly child support amount

☐ Does not apply. The monthly amount was not affected by the upper or lower limits in RCW 26.19.065.

☒ The monthly amount has been affected by (*check all that apply*):

☐ **Low-income limits.** The self-support reserve and presumptive minimum payment have been calculated in the *Worksheets*, lines 8.a. - c.

☐ **The 45% net income limit.** The court finds that the paying parent's child support obligations for their biological and legal children are more than 45% of their net income (*Worksheets* line 18). Based on the children's best interests and the parents' circumstances, it is (*check one*): ☐ fair ☐ **not** fair to apply the 45% limit. (*Describe both parents' situations*):

☒ **Combined Monthly Net Income over \$12,000.** Together, the parents earn more than \$12,000 per month (*Worksheets* line 4). The child support amount (*check one*):

☒ is the presumptive amount from the economic table.

☐ is **more** than the presumptive amount from the economic table because (*specify*):

8. Standard Calculation

<i>Parent Name</i>	<i>Standard calculation worksheets line 17</i>
Robert Edward Moyer II	\$1,147
Christine Moyer	\$1,233

☐ **Check here if there is a residential split** – (each parent has at least one of the children from this relationship living with them most of the time.)

These children (<i>names and ages</i>):	These children (<i>names and ages</i>):
Live with (<i>parent's name</i>):	Live with (<i>parent's name</i>):

The standard calculation for the parent paying support is \$. This is from (*check one*):

☐ the *Attachment for Residential Split Adjustment (Arvey calculation)*, line G (form WSCSS - Attachment for RSA). This *Attachment to the Child Support Schedule Worksheets* is approved by the court and made part of this Order.

☐ other calculation (*specify method and attach Worksheet/s*):

9. Deviation from standard calculation

Should the monthly child support amount be different from the standard calculation?

☒ **No** - The monthly child support amount ordered in section **10** is the **same** as the standard calculation listed in section **8** because (*check one*):

☒ no one asked for a deviation from the standard calculation. (*Skip to 10.*)

☐ there is not a good reason to approve the deviation requested by (*name/s*):
. The facts supporting this decision are (*check all that apply*):

☐ Detailed in the *Worksheets*, Part VIII, lines 20 through 26.

☐ The parent asking for a deviation:

☐ Has a new spouse or domestic partner with income of \$.

☐ Lives in a household where other adults have income of \$.

☐ Has income from overtime or a second job that was excluded in section **5** above.

☐ other (*specify*):

☐ **Yes** - The monthly child support amount ordered in section **10** is **different** from the standard calculation listed in section **8** because (*check all that apply*):

☐ A parent or parents in this case has:

☐ Children from other relationships.

☐ Paid or received child support for children from other relationships.

☐ Gifts, prizes, or other assets.

☐ Income that is not regular (non-recurring income) such as bonuses, overtime, etc.

☐ Unusual unplanned debt (extraordinary debt not voluntarily incurred).

☐ Tax planning considerations that will not reduce the economic benefit to the children.

☐ Very different living costs, which are beyond their control.

☐ The children in this case:

☐ Spend significant time with the parent who owes support. The non-standard amount still gives the other parent's household enough money for the children's basic needs. The children do not get public assistance (TANF).

☐ Have extraordinary income.

☐ Have special needs because of a disability.

☐ Have special medical, educational, or psychological needs.

☐ There are (or will be) costs for court-ordered reunification or a voluntary placement agreement.

☐ The parent who owes support has shown it is not fair to have to pay the \$50 per child presumptive minimum payment.

☐ The parent who is owed support has shown it is not fair to apply the self-support reserve (calculated on lines 8.a. - c. of the *Worksheets*).

☐ Other Reasons:

The facts that support the reasons checked above are (*check all that apply*):

☐ Detailed in the *Worksheets*, Part VIII, lines 20 through 26.

☐ The parent asking for a deviation:

☐ Has a new spouse or domestic partner with income of \$.

☐ Lives in a household where other adults have income of \$.

☐ Has income from overtime or a second job that was excluded in section 5 above.

☐ As follows:

10. Monthly child support amount (transfer payment)

After considering the standard calculation in section 8, and whether or not to apply a deviation in section 9, the court orders the following monthly child support amount (transfer payment).

[X] (*Name*): Robert Edward Moyer II must pay child support to (*name*): Christine Moyer each month as follows for the children listed below (*add lines for additional children if needed*):

Child's Name	Age	Amount
1. Robert Edward Moyer III ("Max")	16	\$573.50
2. Adrian Moyer	12	\$573.50
Total monthly child support amount:		\$ 1,147.00

☐ **Residential Split** - Each parent has at least one of the children from this relationship living with them most of the time. (*Name*): must pay child support to (*name*): each month as follows:

Total monthly child support amount: \$

11. Starting date and payment schedule

The monthly child support amount must be paid starting (*month, year*): November 1, 2024 on the following payment schedule:

☒ In one payment each month by the 1st day of the month.

☐ In two payments each month: 1/2 by the and 1/2 by the day of the month.

☐ Other (*specify*):

12. Step increase or decrease (for modifications or adjustments only)

☒ Does not apply.

☐ **Approved** - The court is changing a final child support order. The monthly child support amount is increasing or decreasing by more than 30 percent from the last final child support order. This causes significant financial hardship to the parent who owes or receives support, so the increase will be applied in two equal steps:

On (*date*): , six months after the Starting Date in section 11, the monthly child support amount will be the full amount listed in section 10.

For 6 months from the Starting Date in section 11 above, the monthly child support amount will be an amount exactly half way between the old monthly amount and the new monthly amount for a total of \$ each month.

☐ **Denied** - The court is changing a final child support order (*check one*):

☐ but the monthly payment increased or decreased by less than 30%.

☐ and the monthly payment increased by more than 30%, but this does not cause a significant hardship to the parent who owes support.

☐ and the monthly payment decreased by more than 30%, but this does not cause a significant hardship to the parent who receives support.

13. Periodic Adjustment

☒ Child support may be changed according to state law. The Court is not ordering a specific periodic adjustment schedule below.

[] Any party may ask the court to adjust child support periodically on the following schedule **without** showing a substantial change of circumstances:

The *Motion to Adjust Child Support Order* may be filed:

[] Every months.

[] On (date/s): .

[] Other (describe condition or event):

Important! A party must file a *Motion to Adjust Child Support Order* (form FL Modify 521), and the court must approve a new *Child Support Order* for any adjustment to take effect.

[] Deadlines, if any (for example, deadline to exchange financial information, deadline to file the motion):

14. Payment Method (check either Registry or Direct Pay)

[] **Registry** – Send payment to the Washington State Support Registry. The Division of Child Support (DCS) will forward payments to the person owed support and keep records of all payments.

Address for payment: Washington State Support Registry
PO Box 45868, Olympia, WA 98504

Phone number/s: 1 (800) 922-4306 or 1 (800) 442-5437

Important! If you are ordered to send your support payments to the Washington State Support Registry, and you pay some other person or organization, you will **not** get credit for your payment.

DCS Enforcement (if Registry is checked above):

[] DCS will **enforce** this order because (check all that apply):

☐ This is a public assistance case.

☐ One of the parties has already asked DCS for services.

☐ One of the parties has asked for DCS services by signing the application statement at the end of this order (above the *Warnings*).

☐ DCS will **not** enforce this order unless one of the parties applies for DCS services or the children go on public assistance.

☒ **Direct Pay** – Send payment to the other parent or non-parent custodian by:

☐ Mail to:

Street Address or PO Box City State Zip

or any new address the person owed support provides to the parent who owes support. (*This does not have to be a home address.*)

☒ Other method:

Direct deposit into an account designated by Christine Moyer.

15. Enforcement through income withholding (garnishment)

DCS or the person owed support can collect the support owed from the income, earnings, assets, or benefits of the parent who owes support, and can enforce liens against real or personal property as allowed by any state's child support laws without notice to the parent who owes the support.

*If this order is **not** being enforced by DCS and the person owed support wants to have support paid directly from the employer, the person owed support must ask the court to sign a separate income withholding order requiring the employer to withhold income and make payments. (Chapter 26.18 RCW.)*

Income withholding may be delayed until a payment becomes past due if the court finds good reason to delay.

☐ Does not apply. There is no good reason to delay income withholding.

[] Income withholding will be **delayed** until a payment becomes past due because (*check one*):

[] the child support payments are enforced by DCS, and there are good reasons in the children's best interest **not** to withhold income at this time. If this is a case about changing child support, previously ordered child support has been paid on time.

List the good reasons here:

[X] the child support payments are **not** enforced by DCS and there are good reasons **not** to withhold income at this time.

List the good reasons here:

Agreement of the parties.

[X] the court has approved the parents' written agreement for a different payment arrangement.

16. Temporary reduction if incarcerated (abatement)

Important! Read Support Abatement Warnings at the end of this order.

If the person who owes support is incarcerated:

- The total monthly child support amount may be temporarily reduced to \$10 while the person who owes support is in jail, prison, or a correctional facility for at least six months (or serving a sentence of more than six months), and has no income or assets available to pay the support.
- If reduced, the support amount will be \$10 a month.
- Beginning the fourth month after the person who owes support is released, support will be 50% of the original amount, or \$50 per child, whichever is more.
- One year after release, support will return to the original amount in section 10.
- Reinstatement of the support amount at 50% does not automatically apply, if a *Petition to Modify Child Support Order* is filed during the period of abatement.

[] The person who owes support qualifies for abatement. Monthly child support is temporarily reduced (abated) to \$10 and will be reinstated as described above.

1 **17. End date for support**

2 Support must be paid for each child until the court signs a different order or (*check one*):

3 ☒ the child turns 18 or is no longer enrolled in high school, whichever happens last,
4 unless the court makes a different order in section **18**.

5 ☐ the child turns 18 or is emancipated, unless the court makes a different order in section
6 **18**.

7 ☐ after (*child's name*): turns 18. Based on information available to the
8 court, it is expected that this child will be unable to support them self and will remain
9 dependent past the age of 18. Support must be paid until (*check one*):

10 ☐ this child is able to support themselves and is no longer dependent on the parents.

11 ☐ other:

12
13 ☐ other (*specify*):

14
15 **18. Post-secondary educational support (for college or vocational school)**

16 ☐ **Reserved** - A parent or non-parent custodian may ask the court for post-secondary
17 educational support at a later date without showing a substantial change of
18 circumstances by filing a *Petition to Modify Child Support Order* (form FL Modify
19 501). The *Petition* must be filed *before* child support ends as listed in section **17**.

20 ☒ **Granted** - The parents must pay for the children's post-secondary educational support.
21 Post-secondary educational support may include support for the period after high
22 school and before college or vocational school begins. The amount or percentage each
23 person must pay (*check one*):

24 ☐ will be decided later. The parties may make a written agreement or ask the court to
25 set the amount or percentage by filing a *Petition to Modify Child Support Order*
26 (form FL Modify 501).

[X] is as follows (*specify*):

- 13 B. The obligation shall provide for the equivalent of four years of education after
14 graduation from high school but shall not extend beyond a child's 23rd birthday.

the period or periods the child fails to comply with these conditions.

1
2 G. The child shall make available all academic records and grades to both parents as a

4 full and equal access to the post secondary education records.

5 H. The obligation is only an obligation between the parents and is not enforceable by any
6 of the children in their own name; provided, however, nothing shall preclude either
7 parent from enforcing this provision against the other parent as part of this order for
8 support of a child.

9 I. Any funds that remain in the children's education accounts upon completion of their
10 post secondary education shall be divided equally between the children.

11 The parties shall remain co-owners of the Vanguard UTMA accounts and shall have online

13 Christine Moyer is the custodian of the Fidelity 529 accounts. She shall provide statements to

16 them to him.

17 These accounts shall not be used for anything other than post-secondary educational support

19 ☐ **Denied** ☐ The request for post-secondary educational support is denied.

20 ☐ Other (*specify*):

22 ***Important!*** *Although personal tax exemptions are currently suspended under federal law*
23 *through tax year 2025, other tax benefits may flow from claiming a child as dependent.*

24 ☐ The parties will follow the law and IRS rules about claiming children on tax forms.

25 ☒ The parties have the right to claim the children as their dependents for purposes of
26 personal tax exemptions and associated tax credits on their tax forms as follows (*check*
one):

[X] Every year - Christine Moyer has the right to claim Max Moyer; and Robert Edward Moyer II has the right to claim Adrian Moyer.

[] Alternating - (name): has the right to claim the children for (check one): [] even [] odd year and (name): has the right to claim the children for the opposite years.

[X] Other (specify):

When only one child is left to claim as an exemption, the parties shall alternate years with the Robert Edward Moyer II having even years and Christine Moyer having odd years.

If a party will not benefit from the claiming a child as a dependent on their tax return, he/she shall timely notify the other parent so the other parent may claim the child.

For tax years when a non-custodial parent has the right to claim the children, the parents must cooperate to fill out and submit IRS Form 8332 in a timely manner.

20. Medical Support

Important! Read the Medical Support Warnings at the end of this order. Medical Support includes health insurance (both public and private) and cash payments towards premiums and uninsured medical expenses.

[] The court is not ordering how healthcare coverage must be provided for the children because the court does not have enough information to determine the availability of accessible healthcare coverage for the children (coverage that could be used for the children's primary care). The law requires every parent to provide or pay for medical support. DCS or any parent can enforce this requirement. (Skip to 21.)

[X] **Private health insurance ordered.** (Name): Christine Moyer must pay the premium to provide health insurance coverage for the children. The court has considered the needs of the children, the cost and extent of coverage, and the accessibility of coverage.

[X] The other parent must pay 50% of the premium paid. Health insurance premiums (check one):

[] are included on the *Worksheets* (line 14). No separate payment is needed.

[X] are **not** included on the *Worksheets*. Separate payment is needed. A parent or non-parent custodian may ask DCS or the court to enforce payment for the proportional share.

** Proportional share is each parent's percentage share of the combined net income from line 6 of the Child Support Schedule Worksheets.*

[] The other parent is **not** ordered to pay for any part of the children's insurance because (*explain*):

A parent cannot be excused from providing health insurance coverage through an employer or union solely because the child receives public healthcare coverage.

[] A parent has been ordered to pay an amount that is more than 25% of their basic support obligation (*Worksheets*, line 19). The court finds this is in the children's best interest because:

A parent cannot be ordered to pay an amount towards healthcare coverage premiums that is more than 25% of their basic support obligation (Worksheets, line 19) unless the court finds it is in the best interest of the children.

[] **Public health care coverage.** (*Name*): _____ has enrolled the child in public health care coverage and does not have available at no cost, accessible health insurance coverage through an employer or union.

[] The other parent must enroll the child in accessible health insurance coverage through their employer or union up to 25% of their basic support obligation.

[] The other parent must pay their proportional share* of the premium for public health care coverage for the child. Public health care premiums (*check one*):

[] are included on the *Worksheets* (line 14). No separate payment is needed.

[] are **not** included on the *Worksheets*. Separate payment is needed. A parent or non-parent custodian may ask DCS or the court to enforce payment for the proportional share.

** Proportional share is each parent's percentage share of the combined net income from line 6 of the Child Support Schedule Worksheets.*

[] The other parent is **not** ordered to pay for any part of the children's healthcare coverage because (*explain*):

A parent cannot be excused from providing health insurance coverage through an employer or union solely because the child receives public healthcare coverage.

4 ***Support Abatement Warnings!***

5 The Division of Child Support (DCS), the person required to pay support, the payee under this
6 order, or the person entitled to receive support **may ask the court or DCS to temporarily**
7 **reduce** child support to \$10 per month when the person required to pay support is in jail, prison,
8 or a correctional facility for at least six months, or serving a sentence of more than six months.

9 There is a rebuttable presumption that an incarcerated person cannot pay child support. DCS, the
10 payee under this order, or the person receiving the support may overcome the presumption by
11 showing that the person required to pay support has income or other assets available to pay
12 support.

13 When a request for abatement is made, DCS will review its records and other available
14 information, and decide if abatement is appropriate. DCS will send notice of the decision to the
15 person required to pay support, and to the payee under this order or the person entitled to receive
16 support. Any of those persons may object to DCS's decision.

17 If at any point during the period of incarceration, a person or DCS later learns of income or other
18 assets available to pay support, a request to terminate or reverse the abatement may be made
19 through DCS or the Office of Administrative Hearings.

20 ***Medical Support Warnings!***

21 **The parents** must keep the Support Registry informed about whether they have access to
22 healthcare coverage for the children at a reasonable cost and to provide the policy information for
23 any such coverage.

24 **If you are ordered to provide children's healthcare coverage...**

25 You have **20 days** from the date of this order to send:

- 26
- proof that the children are covered, or
 - proof that healthcare coverage is not available as ordered.

Send your proof to the other parent or to the Support Registry (if your payments go there).

If you do **not** provide proof of healthcare coverage:

- The other parent or the support agency may contact your employer or union, without
notifying you, to ask for direct enforcement of this order (RCW 26.18.170), and
- The other parent may:
 - Ask the DCS for help,
 - Ask the court for a contempt order, or

- 1 • File a Petition in court.

2 **Don't** cancel your employer or union health insurance for your children unless the court
3 approves or your job ends, and you no longer qualify for insurance as ordered in section **20**.

4 If an insurer sends you payment for a medical provider's service:

- 5 • you must send it to the medical provider if the provider has not been paid; or
6 • you must send the payment to whoever paid the provider if someone else paid the provider; or
7 • you may keep the payment if you paid the provider.

8 If the children have public healthcare coverage, the state can make you pay for the cost of the
9 monthly premium.

10 **Always** inform the Support Registry and any parent if your access to healthcare coverage changes
11 or ends.
