Hi Robert,

I believe you need this letter to submit to Premera to get the refund for insurance premium.

Let me know if they need anything additional.

Christine

Thanks! Will do.

fwiiw- I know the path we are on. But please feel free to be less formal in your coms. We will share three kids for the rest of our lives. So the tone as if I'm a coworker is a bit awkward. After you note yesterday, I realize tone is important in this partnership.

Ok. Any progress on refund from Beth?

I'm going to look at unemployment benefits today and see how we can move that.

- Refund- I got the 3k as requested, plus some other for the boys. I'll set up a Bofa like you and move it over.
- Unemployment- I am a couple weeks behind because we were not doing anything, but I will get caught up.
- Vrijmoeds- There were delays and hiccups on the last gift. Was that finalized, or is there anything outstanding?

Ok. The 3k was for the first trip for expenses. I thought you covered prescriptions that were 1k plus and other trip expenses for helping out with surgery on subsequent trips?

I don't know what you are referring to on Vrijmoed gifts?

The trip was 2k. The Rx was 1K. That is a total of 3k. That was what we discussed. It is in our running list since it began.

Your mom and Dad gave us another gift (I think it was in the spring). They gave it to all three of the kids. Uncle Mark even brought it up when he was here. Then you kept telling me that your mom was doing things with part of it and would get the rest of it to us later. We had that discussion prior to July 5th many times. I am surprised that you do not remember their last gift to us. You really don't remember?

Got it.

Was this the full expected total equivalent to your siblings or just the part before you went to Hong Kong and discussed me with your Mother?

Not trying to be difficult at all, but I just want to be sure I am asking the right question because they all stopped after Hong Kong. Thanks again.

This is the full amount that went to all siblings.

Btw my running total for Bend trips before I stopped tracking was more than the 3k. One plane ticket alone was 750, add in hotel for multiple stays plus other airline tickets, but if that's your number. I can go back and add up if you want.
